

# MAIL DELIVERY RESTARTED

**June 27, 2011**

Starting tomorrow, Tuesday, June 28, Canada Post mail delivery will restart across the country.

Note that mail delivery times may be lengthier than usual until postal workers have been able to process and deliver the backlog of items.

## **RETIRED MEMBERS**

For retired members who arranged to pick up their June pension payment in person, cheques will be available between **June 29 and July 15** at designated pickup points, **even though regular mail delivery has resumed.**

Similarly, if you are a retired member who arranged to have your June pension cheque couriered to you, you will still receive your cheque by courier to ensure you receive your payment on time.

If you are a retired member and you normally receive your pension payments by mail but you have not set up alternative arrangements for receiving your June cheque, **please contact us immediately at 1-866-322-8277.**

## **MOVING FORWARD**

For July onward, pension cheques will be delivered by regular mail.

See next page for plan contact information.
