

Important service announcement

The current Master Agreement between the province and BCGEU ended March 31, 2012.

Most Pension Corporation employees are members of BCGEU.

BCGEU issued strike notice on August 28, and a one-day province-wide strike will be held on Sept. 5.

It is important to note pensions will continue to be paid on time, and we do not expect members or employers will experience any significant service disruptions.

The Pension Corporation will continue to monitor the situation and will work to minimize any possible future impact on plan members and employers.

As always, plan members and employers can take advantage of the self-service options available on the website.
