

## What's New on This Website

*Note: This website has been updated. This will affect any bookmarks you used in the past to access the site.*

Welcome to the new website. You'll find most of the material from the previous site here. You'll also notice some changes:

- News is now **What's New**
- Glossary is now **Definitions**
- **Pension Timeline** provides information, tools and resources for each phase of plan membership
- **FAQ** provides answers to some common questions for each phase of plan membership
- **News Archive** is an archive of announcements directed to members or employers
- **Links** provides links to external online resources
- **Tools** includes links to the pension and purchase of service estimators

If you need assistance, there's a **Need Help** page that provides simple directions for navigation, member orientation, etc.

If you have comments or suggestions, there's a **feedback form** on each page.
