

Prepare for tomorrow. Today.

Did you know you may be eligible
for a secure income for life?

Whether retirement is a lifetime away or just around the corner,
joining BC's Municipal Pension Plan is an investment that your
future self will be thankful for.

Why should you join the plan?

Financial flexibility for the future

Saying yes to your pension now will give
you freedom later in life.

Secure defined benefit pension

Your pension is calculated based on years
of service and highest average salary.

Employer contributions

You and your employer work together to
build your future pension. Every time you
contribute, your employer will too.

Personalized pension estimator

Planning is easier when you can predict
what you'll receive in retirement.

Automatic contributions

Pay your future self first! Contributions
are automatically deducted from
each paycheque.

It's never too early or too late to invest in your future.
