A Trustee who resigns, is removed or whose term expires without being reappointed and the personal representatives of any deceased Trustee, all as the case may be, must forthwith turn over to the Trustees any and all records, books, documents, money and other property and assets in his or her possession, forming part of the Pension Fund or incidental to his or her duties as Trustee under this Agreement or relating to the administration of the Pension Fund or the Pension Plan. In addition, any such individual shall convey, assign or transfer to the Trustees any or all rights or property of that individual in the Pension Fund, excluding any rights or property that individual has in his or her capacity as a Plan Member, and shall, if necessary, convey, assign or transfer to the Trustees any or all rights or property of that individual in the Pension Fund as the Trustees may direct. Despite the foregoing, if the Board considers it appropriate, a former Trustee may have reasonable access to any of his or her records, books or documents turned over to the Trustees as described above.

4.15. Former Trustee Purporting to Act.

If a Trustee resigns, is removed or is not reappointed upon the expiration of his or her term but purports to continue to act as a Trustee, the Board may do such things and take such action at law or equity as it determines necessary to cause the person to cease to purport to act as a Trustee including, without limitation, making application to a court of competent jurisdiction for the relief, including injunctive relief, it considers appropriate.

Each Trustee shall use his or her best efforts to resolve any item of business considered at a meeting of the Trustees. However, if the Trustees are unable to resolve a matter, they may by resolution to that effect declare a matter to be a “disputed matter”. Upon such a resolution being passed, the Chair shall forthwith relay a full written description of the disputed matter to the Partners, together with any other written materials or submissions any Trustee wishes to have presented to the Partners regarding the disputed matter. If an actuarial valuation report indicates that there is a requirement to increase or decrease the contribution rates relating to the benefits for provincial court judges, deputy ministers, officers of the legislature or Plan Members employed by correctional centre

employees, any increase or decrease must be applied to the contribution rate of the relevant Employers, and the Board must amend the Pension Plan Rules accordingly.

13.5. Termination of Entire Pension Plan.

If the Pension Plan is terminated in its entirety, the assets of the Pension Fund shall be disbursed in accordance with the Pension Plan Rules, provided that the Pension Plan Rules must always, and

shall be deemed to always, provide that if any surplus assets remain in the Pension Fund after full provision has been made for all entitlements to receive a pension in respect of the Plan Members' membership in the Pension Plan, one half of such surplus assets must be used to provide pension improvements or other benefits to the Plan Members, and the other half must be paid to the Employers.

ARTICLE 14. – FIDUCIARY RESPONSIBILITIES

14.1. No Conflict of Interest.

- (a) Except as provided in subsection (c), no Trustee shall knowingly permit his or her other interests to conflict with his or her powers, duties and responsibilities in respect of the Pension Plan and Pension Fund.
- (b) Entitlement to a pension or other benefit under the Pension Plan does not create a conflict of interest.
- (c) Subsection (a) does not apply to any determination made by the Trustees pursuant to subsection 10.3(c). In making any determination relating to the application of surplus assets pursuant to subsection 10.3(c), the Trustees are not acting in a fiduciary capacity. When acting under subsection 10.3(c), a Trustee may take into account the financial and other interests of the party that appointed him or her as Trustee, and any other factor the Trustee considers appropriate, including factors unrelated to the Pension Plan or the Pension Fund.

14.2. Use of Agents.

Subject to Sections 7.1 and 7.2, the Board may employ or appoint agents to carry out any act required to be done in the administration of the Pension Plan or in the administration and investment of the Pension Fund. If the Board employs or appoints an agent, the Board shall personally select the agent and be satisfied of the agent's qualifications and suitability to perform the duties for which the agent is employed or appointed, and the Board shall supervise these agents. Any agent so appointed or employed is subject to the same duty of care as the Board and, in particular, each agent is subject to the restrictions in Section 14.1, and is not entitled to any payment from the Pension Fund other than a pension benefit provided in accordance with the Pension Plan Rules, if applicable, and the usual and reasonable fees and expenses for the services provided by the agent in respect of the Pension Plan and Pension Fund.

14.3. Restrictions on Benefits Payable to Trustees.

No Trustee is entitled to any benefit from the Pension Plan or Pension Fund other than a pension benefit provided for in the Pension Plan Rules, and any remuneration and reimbursement of expenses related to the administration of the Pension Plan or the administration and investment of the Pension Fund permitted by the common law or provided for in this Agreement or the Pension Plan Rules.

ARTICLE 15. – TRANSITIONAL PROVISIONS

15.1. Validation of Existing Calculations.

This Agreement shall apply to all agreements made under Part 1 of Schedule C that were in effect on the Effective Date, as if those agreements had been made by the Board under the authority of this Agreement.

15.3. Plan Rules.

The Board may make plan rules as it considers necessary or advisable for meeting or removing any difficulty arising out of the repeal of Part 1 of Schedule C and its replacement with this Agreement pursuant to Part 2 of Schedule C, and for preserving and giving effect to the rights of all persons accrued or accruing under Part 1 of Schedule C except as those rights are expressly varied by this Agreement, and those plan rules may be made to apply generally or to a particular case.

ARTICLE 16.– MISCELLANEOUS PROVISIONS

16.3. Severance of Illegal Provisions.

If any provision of this Agreement or the Pension Plan Rules is held to be illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining portions of this Agreement or the Pension Plan Rules unless the illegality or invalidity materially prevents the accomplishment of the respective objectives and purposes of the Pension Plan Rules or this Agreement as determined by the Board.

16.4. Binding Effect of Pension Plan Rules, etc.

The Pension Plan Rules and amendments thereto and all of the Board's decisions, rules, regulations, policies and procedures made or established in accordance with this Agreement or the Pension Plan Rules, shall be binding upon the Trustees, the parties hereto, the Employers, the Plan Members and their respective beneficiaries, dependents, estates, heirs, executors, administrators, successors and assigns.

APPENDIX B

MINIMUM FUNDING REQUIREMENTS FOR THE PUBLIC SERVICE PENSION PLAN

1. Background

- (a) Effective December 31, 2019, the regulations under the PBSA were amended to change the funding rules for defined benefit pension plans in British Columbia. The Pension Plan continues to be exempt from the PBSA's funding rules.
- (b) The Pension Plan is funded in voluntary compliance with the PBSA going concern funding requirements, as they existed prior to the amendments made December 31, 2019. To ensure continuity of the framework, this Appendix confirms those funding requirements.

2. Definitions

- (a) Subject to paragraph (b), in this Appendix terms which are defined in the PBSA or the regulations to the PBSA shall have the meaning set out therein and terms which are defined in Section 1.1 of the main body of this Agreement shall have the meaning set out therein.
- (b) In this Appendix, unless the context requires another meaning, the following terms have the following meanings:

“Accessible Going Concern Excess” means the amount by which the Going Concern Assets Value exceeds 105% of the Going Concern Liabilities Value, as those values are determined in the current actuarial valuation report.

“Active Member” means an “active member”, as defined in the Public Service Pension Plan Rules made under the Agreement.

“Actuarial Gain” means the amount that represents the improvement, referred to in paragraph 5(a), between the projected financial position of the Basic Account and the actual financial position of the Basic Account;

“Establishment Date” means, in respect of an Unfunded Liability:

- (i) the Review Date as at which the existence of the Unfunded Liability was established, or
- (ii) if the Unfunded Liability resulted from an amendment to the Pension Plan Rules, the effective date of the amendment.

“Going Concern Assets Value” means the value of the assets of the Basic Account, including income due and accrued, which value is determined on a Going Concern Basis.

“**Going Concern Basis**” means a basis for determining the value of the Pension Plan’s assets and liabilities that: (i) is adequate and appropriate; (ii) is in accordance with accepted actuarial practice, and (iii) applies to the Pension Plan if no decision has been made to terminate the Pension Plan.

“**Going Concern Liabilities Value**” means the actuarial present value of the accrued benefits payable from the Basic Account, including amounts due and unpaid, which actuarial present value is determined on a Going Concern Basis.

“**Normal Actuarial Cost**” means an amount, excluding special payments, estimated by the Plan Actuary, on a Going Concern Basis, to be the cost of the benefits payable from the Basic Account that accrue to Active Members in that fiscal year of the Pension Plan.

“**Plan Actuary**” means the actuary engaged by the Board pursuant to Section 10.1 of the Agreement.

“**Plan Contributor**” means the Employers and the Active Members.

“**Review Date**” means, in respect of an actuarial valuation report and related cost certificate prepared in relation to the Pension Plan, the date as at which the actuarial valuation report and related cost certificate is or was required to be prepared pursuant to section 45 of the regulations under the PBSA.

“**Unfunded Liability**” means, in respect of the benefits payable from the Basic Account, the amount, if any, by which the Going Concern Liabilities Value exceed the Going Concern Assets Value, both values determined as at the latest Review Date.

“**Unfunded Liability Payment Period**” means, in relation to an Unfunded Liability, the 15-year period that begins on the first anniversary of the Establishment Date of the Unfunded Liability.

3. Valuation

In preparing an actuarial valuation report for a going concern valuation as required by subsection 10.3(a) of the Agreement, the Plan Actuary shall value the Pension Plan’s assets and liabilities on a Going Concern Basis as at the Review Date. Such report shall determine the Normal Actuarial Cost and the funded position of the Pension Plan as at the Review Date.

4. Funding of Normal Actuarial Cost and Unfunded Liabilities

- (a) If an actuarial valuation report establishes the existence of an Unfunded Liability that did not exist prior to that report’s Review Date, such Unfunded Liability will be funded in accordance with this Section 4.
- (b) Subject to paragraph (c), the Plan Contributor must, in accordance with this paragraph, pay each of the following into the Pension Plan:

-
- (i) at least monthly, an amount equal to 1/12 of the Normal Actuarial Cost determined on the basis of the current actuarial valuation report or cost certificate, starting in the first month of the second fiscal year of the Pension Plan following the Review Date;
 - (ii) without limiting any other obligation on the Plan Contributor to make payments under this paragraph in relation to any previous Unfunded Liability, if the current actuarial valuation report establishes the existence of an Unfunded Liability, a series of equal payments that are made at least monthly, which series of payments must be sufficient, in the opinion of the Plan Actuary who prepared that actuarial valuation report, to amortize the Unfunded Liability within the Unfunded Liability Payment Period applicable to it.
- (c) Instead of making the payments referred to in subparagraph (b)(i), the Plan Contributor may elect to make payments into the Pension Plan under this paragraph if:
- (i) the payments are made at least monthly over the Unfunded Liability Payment Period that is applicable to that Unfunded Liability,
 - (ii) the payment amounts are identical and are calculated as a percentage of the payroll or as an average amount per hour of employment that, as at the Review Date of the actuarial valuation report by which the existence of the Unfunded Liability was established, was projected for the Active Members; and
 - (iii) the actuarial present value of the payments over the period referred to in subparagraph (i), or any shorter period selected by the Board for the purposes of this paragraph, is equal to that Unfunded Liability.
- (d) Without limiting paragraphs (b) and (c), each Unfunded Liability must be funded by a separate series of payments under subparagraph (b)(ii) or paragraph (c) and must not be combined with any other Unfunded Liability.
- (e) If the Plan Contributor is required under paragraph (b) or (c) to make payments in relation to an Unfunded Liability, the Plan Contributor may make larger payments, more frequent payments or earlier payments than what is required, and, in that event, the Plan Contributor may, despite paragraph (b) or (c), reduce or eliminate subsequent payments provided that
- (i) the Unfunded Liability is eliminated within the applicable Unfunded Liability Payment Period, and;
 - (ii) the balance of the Unfunded Liability never exceeds the amount of that Unfunded Liability that would have existed had the full amount of the payments required under paragraph (b) or (c) been made.

5. Actuarial Gain

- (a) If the current actuarial valuation report of the Pension Plan establishes that the total amount of all Unfunded Liabilities is less than the total amount of all Unfunded Liabilities projected for the Pension Plan in the previously filed actuarial valuation report, the amount of that Actuarial Gain must be used:
- (i) to eliminate every Unfunded Liability, or
 - (ii) if the amount of that Actuarial Gain is insufficient to eliminate every Unfunded Liability, to reduce the Unfunded Liabilities, with the Unfunded Liabilities being eliminated or reduced chronologically, beginning with the oldest Unfunded Liability.
- (b) If an Actuarial Gain is used in the manner referred to in subparagraph (a)(i) to reduce the amount of an Unfunded Liability, the payments that are, under paragraphs 4(b) or 4(c), required to be made in relation to that Unfunded Liability must be reduced, on a prorated basis, and paid over the remainder of the applicable Unfunded Liability Payment Period, or a shorter period.

6. Use of Accessible Going Concern Excess to reduce Contributions

- (a) Subject to paragraph (b), if the Pension Plan has Accessible Going Concern Excess, it may be applied to reduce or eliminate the contributions referred to in subparagraph 4(b)(i).
- (b) Despite paragraph (a), not more than 20% of the Accessible Going Concern Excess may be used to reduce or eliminate contributions in the second fiscal year to which the current actuarial valuation report applies, and in each of the 2 following fiscal years.
